About Company

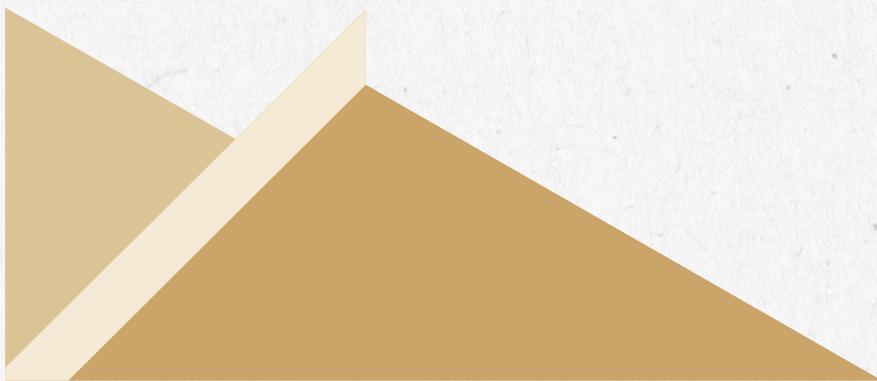

Infinity Contracting is the flagship company of the Al-Hattab Group, founded with a clear vision to serve the needs of the rapidly growing local market.

With over 35 years of experience, we have built a solid reputation for delivering high-quality construction and contracting services across various sectors.

Our company offers a wide range of specialized solutions, including general contracting, materials supply, trading, and finishing works, in addition to telecommunications and IT services.

We also provide professional maintenance for industrial machinery, forklifts, hydraulic systems, electrical and plumbing networks, and telecom infrastructure.

At Infinity Contracting, we combine deep market knowledge with technical expertise to ensure our clients receive exceptional value, uncompromising quality, and long-term reliability.

Our Vision & Legacy

Since its establishment, Infinity Contracting has aimed to be more than just a service provider – we strive to be a trusted partner in building the future.

Backed by the strong foundation of Al- Hattab Group, our legacy is built on over 35 years of excellence, reliability, and innovation in the construction and contracting field.

Our vision is to lead the market by delivering integrated solutions that combine technical precision with high-quality materials and customer-focused service.

We believe in creating long-term value for our clients by ensuring every project is completed with professionalism, efficiency, and attention to detail.
